**Letter from Richard A. Devers Re: Delphi Salaried Pension Plan & PBGC**

Judge Drain,

I am sending you this copy of a letter that I sent to Mr. Vince Snowbarger of the PBGC and I am asking for your support in this matter. I do not think that the Delphi Reorganization Plan should be accepted by the court.

Sincerely,

A handwritten signature in black ink that reads "Richard A. Devers". The signature is written in a cursive, flowing style with a large initial 'R' and 'D'.
